PRELAW MENTORSHIP PROGRAM

MICHIGAN STATE UNIVERSITY COLLEGE OF LAW

Michigan State University College of Law is pleased to invite rising MSU sophomores, juniors, and seniors from all majors to apply to the **PRELAW MENTORSHIP PROGRAM** which is designed to partner law student mentors with MSU undergraduate students demonstrating an interest in pursuing law school after graduation.

The objective of this program is to offer expert guidance and support for preparing competitive law school applications, while also facilitating connections between highly motivated MSU undergraduate students with the MSU College of Law.

THE PROGRAM WILL PROVIDE:

One-on-one mentoring of MSU undergraduates by current MSU College of Law students, who will be available to share their personal perspectives on the law school experience and offer advice on applying to law schools, preparing competitive applications, choosing law schools, and other related matters.

Special opportunities to attend seminars and other events specifically designed for mentees by the MSU College of Law, including attending classes.

Opportunities within the MSU College of Law and other sources for prelaw advising and law school application assistance, including webinars with experts in the MSU College of Law and around the nation on topics such as taking the LSAT, writing effective personal statements, organizing successful applications, and career opportunities for those with the J.D. degree.
