

YOUR GENEROSITY ENABLES US TO **EMPOWER EXTRAORDINARY**

Dear MSU Law Friends:

As we near the conclusion of the University-wide Empower Extraordinary Campaign at the end of 2018, I would like once more to recognize the inspiring generosity of our friends.

Throughout the capital campaign, MSU Law alumni and friends demonstrated exceptional support to building a bright future for Spartan lawyers. From joining the inaugural Annual Fund effort to establishing scholarships that support students with financial need to endowing chairs that will enhance the academic experience, MSU Law alumni and donors have rallied together to ensure that our current and future students have access to a superior legal education.

On behalf of the entire MSU College of Law community, and with our deepest gratitude, thank you.

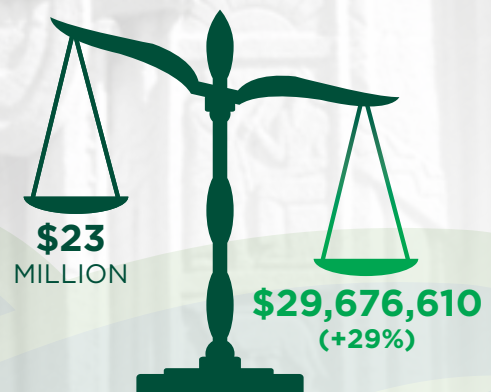

Regards,

Lawrence Ponoroff
Dean and Professor of Law
